

Team Captain Agreement

Music City Sports & Social Club

Captains are the bandleaders. You're the link between your team and the league: herding cats, setting the lineup like a set list, and keeping it fun from the first pitch to the last call. Here's what we ask of you, and what you get in return.

Team name: TBD Sport / Division / Night: TBD **Season:** TBD

What You Agree to Do

Before the season

1. **Build a full co-ed roster** in the registration system that meets the sport's minimum and has enough women to fill the required women's spots every game, and make sure **every player creates an account and signs the Music City Sports & Social Club Participant Waiver** before they play.
2. **Collect payment** (if your team pays as a group) by the registration deadline. You're responsible for the team fee (\$75 per player, or the \$750 team rate for a full team of 12 or more in Kickball, Dodgeball and Flag Football; plus a 10% late fee, \$825 for the team rate, if you register after the regular deadline) and the \$50 forfeit deposit.
3. **Read and share** the General League Rules & Code of Conduct, your sport's rulebook, and the Refund, Weather & Forfeit Policy with your team.
4. Confirm everyone on the roster is **21 or older**.

Every week

5. Get your team there **15 minutes before game time**, in team shirts, with the minimum number of players.
6. Watch for weather updates and pass them on to your team.
7. Give **24+ hours' notice** of any forfeit to info@musiccityssc.com. A notified forfeit is still a loss, but your team keeps its \$50 deposit; a no-show or late notice loses it.
8. Be the **only voice** who talks with refs about calls. Keep it brief and respectful.
9. Keep your team's conduct in check, including on social media and at the bar. Help us de-escalate, not escalate.
10. Check that every sub or new player is rostered and waived **before** they step on the field.
11. Report injuries and incidents to the Coordinator that night.

After games

12. Help pick up trash and return league equipment.
13. Bring your team to our partner bar after games when you can. Their specials keep prices low.
14. Submit sportsmanship ratings for opponents when asked.

What You Get

- **TBD**
- Early registration access to the next season to keep your team's spot
- A direct line to the league team: TBD
- Bragging rights, the unofficial title of "Commissioner of Your Group Chat," and our eternal gratitude

Accountability

I understand that I am responsible for my team's compliance with league rules, that unpaid team fees or forfeit deposits may lead to forfeited games or removal, and that Music City Sports & Social Club may remove me as captain if the team's conduct or rule compliance becomes a problem. Being a captain doesn't make me an employee, agent or official of Music City Sports & Social Club.
